

SPOTR MEDIA: ON THE SPOT

Are you looking for that one piece of content?
Do you want to know when your company name is being said on TV? Do you want to instantly cut, download and be able to share with your colleagues?

SpotR Media is your solution!

www.spotr.media

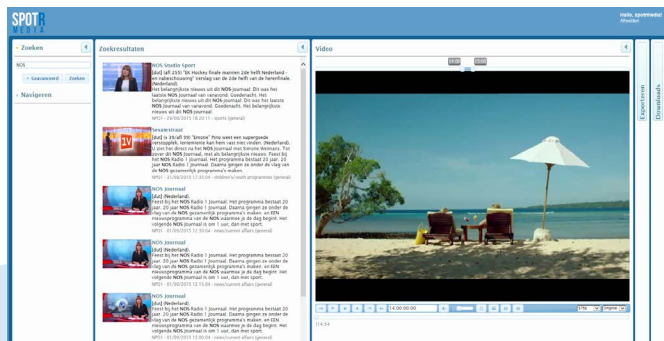

THE FUTURE OF PROFESSIONAL VIDEO IS SOFTWARE!

EVERYTHING IS EASY WITH **SPOTR!**

EASY, INTUITIVE AND FAST!

SpotR Media records all radio and TV stations with access to the broadcasted material till 24 months ago. Every channel is being digitally recorded in it's original quality – 24 hours a day, 7 days a week!

SpotR Media is easy and intuitive thanks our user-friendly webclient. It is possible to quickly search with keywords and look back at anything you want to see. You can navigate and export frame accurately.

We make it easy for you by automatically export clips based on metadata. This is possible to every location!

SPOTR MEDIA SERVICES

Do you need just that one small piece of content from a political debate, the entire debate or just a part of a political questionnaire? Or are you looking for that one piece of a TV show?

With SpotR Media services you can order and pay the video clip online. We will make sure you will quickly receive the ordered material on DVD, USB or as a download!

Arbor Media is not the owner of the content, nor do we pretend to be. We have the permission from the parties involved for this service. Publication of the content outside of your own organization requires specific consent from the rightful claimant.
